

# THE OCCASIONAL SENTINEL

---

St. Augustine's of Hippo  
by Vernon Adams

## PRAISE AND WORSHIP AT CALVARY ST. AUGUSTINE

Praise and Worship happens every Sunday  
starting at 9:45 am.

Could this be your ministry?

### What's Your Ministry?

There are so many ministry opportunities at the church, I'm certain we can help you find something to do. Let's talk about it.

## FRIENDS AND FAMILY DAY

Join us on Sept. 8th for Friends and Family Day. Since that is also Youth Sunday in addition to the Children's sermon we will also bless their school backpacks and have a special prayer for our children. Let's build them up for a safe and successful school year. Bring your book bags to church.

Special music will be offered by Min. Charles Cory a young man well known to us..

## Priests' Corner

Greetings!

I am looking forward to this new Church year. Your vestry has been working diligently on our Forward Facing Project to have a fuller understanding of how our ministry presents to the community. This summer we visited other congregations, engaged research and explored the use of technology. We want to make decision that are informed and true to who we're called to be. This is an ongoing project. More to come...

Pastor Renee

# The Occasional Sentinel

## Building Improvements

Earlier this year we received a grant from the Diocese which helped us restore the sacristy for safety and function. The conditions in these rooms had steadily deteriorated over the years with the Altar Guild and Acolytes not having space to allow them to serve the altar and priest optimally.

We were able to restore the rooms' structure and improve the cosmetics. Come check it out!

Considering the age of our building we have had to work steadily to maximize the use of our space. This is our major asset and a way for us to serve God. Keepin' it moving and building the Kingdom.

## STEP-CDC

STEP-CDC had a strong summer program this year. Summer camp served 25 children for 6 wks on Mon-Fri in conjunction with the Diocese of PA. We had 8 volunteers from our church. Thank you for your good work. Now we pivot to our fall programming. This year we are restarting our Adult Basic Education program. See Judith Brewer for more information.

## Food Pantry is open

The Food Pantry is open every Monday (except holidays) in Logan Hall. We serve about 40 families per week. Bring your ID and your bags between 12-5:30 pm.

**Celebrate the Lord's day with us in person or over Zoom.**
